

Fireplace Conversation with Anika Marusczyk¹ and Sebastian Schreiber²

¹ Research engineer Computational Materials Engineering
at Robert Bosch GmbH, Stuttgart

² Engineer - Modeling and Simulation, R&D
at thyssenkrupp Steel Europe AG, Duisburg

22 June 2018 @ 6.30-8.00 pm

Dear MSS students and ICAMS staff,

we are happy to announce a fireplace conversation with our former ICAMS scientists Dr. Anika Marusczyk from Robert Bosch GmbH, Stuttgart, and Dr. Sebastian Schreiber from thyssenkrupp Steel Europe AG, Duisburg. They will give an insight into their current work and will be pleased to answer your questions.

**The event will take place in the ICAMS seminar room
IC 02/718 from 6.30 pm.**

Everyone is welcome. We are looking forward to seeing you there.
