

Period: Summer Term 2018

Time: Thursdays at 16.00 s.t. Venue: RUB, IC 04 – 410

DATE	GUEST/TITLE
19. April 2018	Prof. Dr. Christina Sengstock, Chirurgische Universitätsklinik und Poliklinik, Berufsgenossenschaftliches Universitätsklinikum Bergmannsheil GmbH, Bochum, Biocompatibility testing of biomaterials, Host: G. Eggeler
14. June 2018	Prof. Dr.-Ing. Lutz Mädler, Produktionstechnik – Maschinenbau & Verfahrenstechnik), Universität Bremen, High throughput with particle technology, Host: A. Ludwig
21. June 2018	Prof. Dr.-Ing. Thomas Niendorf, Institut f. Werkstofftechnik, Universität Kassel, Tailoring microstructures and properties by additive manufacturing, Host: A. Hartmaier
28. June 2018	Dr.-Ing. Volker Uhlenwinkel, IWT Verfahrenstechnik/Sprühkompaktieren, Bremen, Metal powders for additive manufacturing, Host: W. Theisen
5. July 2018	Prof. Dr. Andreas Heuer, Institut f. Physikalische Chemie, Universität Münster, Computer simulations of materials: insight about different scales, Host: I. Steinbach/F. Varnik
12. July 2018	Dr. Matous Mrovec, ICAMS, Dept. of Atomistic Modelling and Simulation, Ruhr-Universität Bochum, From electrons to microstructure, Host: R. Drautz

The *Materials Science and Technology Seminar* is jointly organized by the *IfM* (Institute for Materials) and *ICAMS* (Interdisciplinary Centre for Advanced Materials Simulation). Members of the *RUB Materials Research Department MRD* and of the *DGM Regionalforum Rhein-Ruhr* are cordially invited to participate in the seminar. For further information please contact: Mrs. Suzana Römer, suzana.roemer@rub.de, phone: +49 234 32 23022.
